Parents undertake to pay the fees applicable in each School year. Fees are due and payable for the School term to which they relate. All fees are payable in advance, either when accounts are presented or no later than the first day of term. A late fee payment charge is made per week and/or part week, starting on the second day of term, until all arrears are cleared. The accepted payment system is through a monthly direct debit scheme over ten months of the year which is administered on behalf of the School by a provider at no cost to parents. If parents cannot meet this requirement they should speak to the Bursar.

We are aware that the School's Terms and Conditions have been made available via the School's website.

A full term's notice in writing to the Headmaster must be given before the removal of a pupil at any stage of education prior to Upper Sixth, or in rescinding the acceptance of a place offered to a pupil. This notice must be received by the Headmaster on or before the first day of term. In the absence of this, payment of a full term's fees must be made in lieu.
